Biographical Note

Jerome William Adler was born on March 26, 1931 to Mr. and Mrs. William H. Adler in Jersey City, New Jersey.

He entered into active service with the United States Army on July 24, 1951. As part of the 2nd Infantry Division (also known as the Indianhead Division), Adler served in the Korean War and was deployed to Korea from late-1952 to mid-1953. Adler was relieved from active duty on June 21, 1954. He was assigned to the 1434th United States Army Reserve Control Group of the New Jersey Military District on October 13, 1954 and discharged as a Reserve Commissioned Officer on August 23, 1963.

His awards include the Combat Ribbon with Metal Pendant, Combat Infantryman Badge, Korean Service Medal with two Bronze Service Stars, United Nations Service Medal, National Defense Service Medal and Overseas Service Bar.

In 2006, Adler returned to Korea on vacation and spent time visiting places he had been during the war.

Scope and Content of the Collection

The Jerry Adler Collection consists of letters, military documents, soldier savings deposit slips, Korean and American propaganda leaflets and photographs. The vast majority of the collection relates to Adler's time in the Korean War. A large part of the collection arrived in a deteriorating scrapbook. All items were removed from the scrapbook and reorganized by museum staff. The oversized box contains certificates that would have been with the biographical materials and one leaflet.

Arrangement

The collection arrived in no discernable order. Staff has arranged the collection by subject.
