Biographical Note

Dominick (Don) Harry Vanitzian was born on January 21, 1917 in Chicago, Illinois. He learned some of his leadership skills that will come in handy in his later life, as a member of the Boy Scouts of America. He attended Lane Tech High School, located on the north-side of Chicago and the University of Notre Dame. He worked as a Screw Machine Helper in a company before becoming a Civilian Pilot Instructor. He was called into active duty for the Army Air Forces on September 5, 1944. Vanitzian graduated as a Flight Officer from Advanced Two-Engine Pilot School on March 10, 1945.

During World War II he served as a cargo pilot as well as a flight instructor. On August 28, 1952, Don Vanitzian was promoted and given the title of 1st Lieutenant. When he returned to the United States after his time in active duty, Don continued to give pilot lessons as an Air Reserve and in his private life. He had three daughters with his wife, Vardi in the early 1950s. He passed away on November 30, 1996 at the age of 79 with the title of 1st Lieutenant.
